

**Change of Nomenclature of BS Secondary Education Programs Proposal**

**I. Rationale**

The BSEd Mathematics and BSEd Physical Sciences had undergone a curriculum revision last year in aim to align the programs to the new k-12 curriculum. In the process, the college and the departments concerned rename the program BS Math Education and BS Science Education in intend to align the content and nomenclature to the graduate programs offerings.

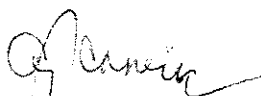

However, the college received communication about the need to conform to the nomenclature of BS Secondary Education programs as stipulated in CMO 75 s. 2017 during the CHED forum in Davao City last June 28-29, 2018. This is to accommodate the students under the programs for the requirement in the submission of applications to the Tertiary Education Subsidy (TES). Hence, the college propose the revision of the program names.

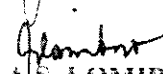

**II. Proposed Action**

Proposed revision of the program names is as follows:

FROM	TO
BS in Science Education	BSED (Major in Science)
BS in Mathematics Education	BSED (Major in Mathematics)

**III. Proponents**

  
**OLIVA P. CANENCIA, PhD**  
Dean, College of Science and Technology Education
